NOTICE INVITING E-TENDER

TENDER No. NSCD/18011/E-Tender -30/ 2024-25

INSTRUCTIONS FOR ONLINE BID SUBMISSION

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. More information useful for submitting online bids on the CPP Portal may be obtained at <https://eprocure.gov.in/eprocure/app>

REGISTRATION

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “**Online bidder Enrollment**” on the CPP Portal which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.

2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
3. The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

1. Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Bidder has to select the payment option as "offline" to pay the tender fee/EMD as applicable and enter detail of the instrument.
4. Bidders should submit the EMD as per the instructions specified in the tender document. The original instrument should be posted/couriered/given in person to the Tender processing Section at the above address, latest by the last date of bid submission. The detail of the Demand Draft / any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
Exemption will be given to the MSME/NSIC registered agencies for submission of EMD.

5. A standard Price Schedule format (BOQ) has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. **In case no rate value is required to be quoted in any particular cell, that cell must be kept blank, figure '0' (zero) shall not be entered in such cell(s).** Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
6. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
7. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
8. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
9. Upon the successful and timely submission of bids (i. e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
10. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

1. Any enquiries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal helpdesk. The contact number for the helpdesk is 1800 233 7315.
3. Any queries relating to the Tender may be addressed to ansarimin@gmail.com, nscdelhi10@gmail.com with proper credentials of the bidders before the bid clarification date thereafter no queries will be entertained

3. The successful bidders shall submit the Duplicate copy of the order duly signed and stamped as a token of acceptance of the same within 7(Seven) days from the date of Placement of the order.
4. Time is the essence of this tender. The delivery shall be made strictly as per following time frame :

Stage-I

10 pcs of samples of each tendered item strictly as per specifications and drawings should be got approved from NSCD authorities. For this purpose, the successful bidder shall submit 10 numbers of samples of each item for inspection and approval to National Science Centre, Delhi within 07 (Seven) days from the date of placement of order. The successful bidder shall have to take the entire responsibility to obtain necessary approval of the sample strictly within the above schedule failing which the order shall be cancelled without any further reference.

Stage-II

After obtaining samples approval from the authority of the Centre as detailed in Stage-I above, supply of the balance quantity of the tendered items, as per enclosed specifications and drawings, shall be made at **National Science Centre (A unit of NCSM), Pragati Maidan, Near Gate No.4, Pragati Maidan, New Delhi-110001.** strictly within 30 (thirty) days from the date of approval of samples. Please note that the time frame for getting the samples approved and supply of the entire quantity of all the tendered items at **NSCD is 37 days** from the date of placement of the order.

For non-compliance of any of the above terms and non-delivery of the tendered items, complete in all respects within the above stipulated delivery period, the Centre shall have the right either to cancel the order or impose penalty as detailed in Clause No.05. Decision in this regard taken by the Centre shall be final and binding on the successful bidder.

5. **Penalty Clause:** - The time allowed for executing the supply as detailed in Clause No.04 shall be strictly observed by the successful bidder. The supply shall throughout the stipulated period of the order, be proceeded with all the diligence (time being deemed to be the essence of the order) and the successful bidder shall pay to the Centre, an amount equal to 1% of the amount of the contract value for every week that the supply may remain incomplete as per delivery schedule as stipulated in Clause No.04 subject to a maximum compensation of 10% of the contract value after which period, action will be taken by the Centre as will deem fit.

The Centre may extend the time of delivery of the ordered items at their discretion on the application of the successful bidder for such purpose provided that the Centre considers the reasons for such extension as good, sufficient and acceptable.

6. Every effort should be made to complete the supply by the successful bidder within the specified time schedule. In case the firm fails to comply with Clause No.04 within the specified time schedule as per the finalized and accepted terms & conditions, the Centre shall have the right to either impose penalty clause or cancel the order forthwith. The decision of the Centre in this regard shall be final and binding on the successful bidder. **Please note that the successful bidder shall supply the ordered materials without any change in specification/drawing or quantity.**
7. **Payment Terms:-**No advance payment shall be made by the Centre on any circumstances. Payment shall be released within 30(thirty) working days from the date of receipt of Invoice/Bill(supplies covered under Stage-II of clause No.04) duly supported by receipted challan subject to satisfactory inspection report of the ordered materials issued by the competent authority of the Centre.
8. **Warranty:** Manufacturer's standard warranty should be offered by the bidder. The bidder shall be responsible for all defects of materials including defective workmanship, use of defective materials etc. for the entire warranty period of the manufacturer effective from the date of final acceptance of the ordered materials.
9. The materials to be supplied by the bidder shall conform to the drawings and specifications given by the Centre. Sub-standard quality of materials & workmanship will not be accepted. The samples must be got approved well in advance from the competent authority of the Centre.
10. The Centre shall not be liable for injury of any employees who are deployed by the bidder within/outside the Centre premises at the time of execution of the order.
11. **Colour Scheme:-** Self colour anodized (15 micron) Aluminium Anodized Extruded exhibition display Sections should be free from any waviness/dents/patch marks. The product should also be free from any embossed/etched/watermark/stickers of manufacture's logo or name.
12. Bad workmanship will not be accepted and if carried out is liable to be rejected and should be rectified by the supplier at his own cost & risk as per specifications and directions given by the authorized representative of the Centre.
13. If it is noticed that the goods supplied do not conform to the specification/drawing of the order, the Centre shall have the right to reject the materials in part or full. The supplier shall be liable to replace the rejected materials within the stipulated time. Till the replacement is done, the rejected materials shall be lying at the risk, cost and responsibility of the supplier. If the supplier does not arrange to replace the rejected materials within the stipulated time, the same may be disposed off at

the risk of the supplier and in the manner which the Centre will deem fit. The Centre shall be entitled to retain the proceeds of the disposal either in part or in full towards expenses incurred on storage, handling and disposal of the materials. The Centre shall also be entitled to recover the expenses made by them on account of storage & handling of such rejected goods till the goods are removed from the premises of the Centre.

14. In case the bidder refuse to accept the offer after finalization or does not comply with the Clause No.03 within 07 (Seven) days from the date of placement of the order as per the finalized and accepted terms & conditions, the order shall be cancelled forthwith.
15. The authorities of the National Science Centre, Delhi reserves the right to amend, alter or modify the terms & condition mentioned above if necessary from time to time.
16. The authorities of National Science Centre, Delhi, who does not bind themselves to accept the lowest tender, reserves the right to reject or accept any or all tenders wholly or partially without assigning and reason whatsoever.
17. The quantities specified in the tender may be decreased or increased at the sole discretion of NSCD authorities.
18. All disputes and differences between the successful bidder and the Centre of any kind except quality of workmanship and materials whatever arising out of or in connection with the order on carrying out the supply (whether during the progress of the work or after their completion and whether before or after the determination, abandonment or breach of the Terms & conditions of the order) shall be referred to the sole arbitration of a person nominated by the Director General, National Council of Science Museums, whose decision in this regard will be final and binding on both the successful bidder and the Centre.

The provisions of the Arbitration and Reconciliation Act 1996 or any statutory modification or re-enactment thereof and of the rules made there under for the time being in force shall apply to arbitration's proceedings under this Clause.

19. **FORCE MAJEURE**

Neither party shall bear responsibility for the complete or partial non-performance of any of its obligations (except for failure to pay any sum which has become due on account of receipt of goods under the provisions of the present contract), if the non-performance results from such Force Majeure circumstances as Flood, Fire, Earth Quake and other acts of God as well as War, Military operation, blockade, Acts or Actions of State Authorities or any other circumstances beyond the parties control that have arisen after signing of the present contract. In such circumstances the time stipulated for the performance of an obligation under the present contract is extended correspondingly for the period of time of action of these circumstances and their consequences.

Aluminium Extruded Display Sections (SIMA) – ‘Self Color Anodized’

ALUMINUM ALLOY: 6063-T5

Properties	Metric
Density	2.70 g/cc
Hardness, Brinell	60
Ultimate Tensile Strength	186 MPa
Tensile Yield Strength	145 MPa
Elongation at Break (Typical; 1/16 in. (1.6 mm) Thickness)	12.00%
Modulus of Elasticity	68.9 GPa
Poissons Ratio	0.33
Fatigue Strength	68.9 MPa
Electrical Resistivity	0.00000316 ohm-cm @Temperature 20.0°C
Average CTE	23.4 µm/m-°C @Temperature 20.0 - 100°C
Specific Heat Capacity	0.900 J/g-°C
Thermal Conductivity	209 W/m-K
Melting Point	616 - 654 °C

Specifications:-

- Dimension : Strictly as per drawing.
- Finish: Self-Colour anodized (15 micron)
- Surface should be free from any waviness/dents/patch marks.
- Surface should be free from any embossed/etched/watermark/strickers of manufacture’s logo or name.
