Instructions for Online Bid Submission

1. The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.
2. More information useful for submitting online bids on the CPP Portal may be obtained at <https://eprocure.gov.in/eprocure/app>

REGISTRATION

1. Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “Online Bidders Enrolment” on the CPP Portal which is free of charge.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.) with their profile.
5. Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
6. Bidders may then log-in to the site through the secured log-in by entering their user ID / Password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

1. There are various search options built in the CPP Portal to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords, etc. to search for a tender published on the CPP Portal.
2. Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective “My Tenders” folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
2. The bidders should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk,

PREPARATION OF BIDS

1. Bidders should take into account any corrigendum published on CPPP in connection with the tender document before submitting their bids.
2. Please go through the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of sets in which the bid documents have to be submitted, the number of documents - including the names and content of each of the documents that need to be submitted. Any deviations from these may lead to rejection of the bid.
3. Bidders, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF / JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates, etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for the bid submission process.

SUBMISSION OF BIDS

1. Bidders should log-in to the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidders will be responsible for any delay due to other issues.
2. The bidders have to digitally sign and upload the required bid documents one by one as indicated in the tender document.
3. Bidders have to select the payment option as “offline” to pay the requisite Earnest Money Deposit (EMD) and enter detail of the instrument.
4. Bidders should submit the EMD as per the instructions specified in the tender document. The original instrument should be posted/couriered/given in person to the Tender Processing Section at the above address, latest by the last date of bid submission. The detail of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected. However, concession for submission of EMD shall be applicable to the Tenderers/Bidders registered with NSIC/MSME as per prevailing Govt. guidelines. The Tenderers/Bidders should upload document of the firm for claiming such exemption. Tenderer/Bidder must upload relevant docs. if the bidder is registered under NSIC/MSME.
5. A standard Price Schedule format (BOQ)(Annexure – I) and cost breakup (Annexure – I(a)) has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidders). No other cells should be changed. In case no rate value is required to be quoted in any particular cell, that cell may be kept blank, figure “0” (zero) shall not be entered in such cell(s). Once the details have been completed, the bidders should save it and submit it online, without changing the filename. If the BOQ (**Annexure – I**) file is found to be modified by the bidders, the bid will be rejected.

6. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referring the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
7. All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
8. The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
9. Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message and a bid summary will be displayed with the bid number and the date & time of submission of the bid with all other relevant details.
10. The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meeting.

ASSISTANCE TO BIDDERS

1. Any enquiries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal helpdesk. The contact number for the helpdesk is 1800 233 7315.
3. Any queries relating to the Tender may be addressed to nscdelhi10@gmail.com with proper credentials of the bidders before the bid clarification date thereafter no queries will be entertained.

The incorporation of a VR theater as an additional facility within the existing gallery aims to provide an immersive and engaging environment for patrons to explore and experience space sciences related concepts and discoveries in a captivating way.

The VR facility will consist of a synchronized VR system with **two** distinct modes of operation. **The facility should include 5 VR HMD devices (including one spare) with wired/wireless headsets, and one server console with a PC for control and management.**

Components

a) Server Console (1 unit)

- High-performance PC for content management and system control.
- Central control unit for synchronization and operation modes along with and storage.

Modes of Operation

a) Synchronized Playback Mode

- **Description:** A single content played from the server and synchronized across all 4 VR headsets.

b) Independent Playback Mode

- **Description:** VR headset can play different content independently on selection basis.

Features

1. High-Quality Visuals

- The VR headsets are equipped with 4K-resolution displays to ensure the best image quality and immersive experience.

2. Wired/wireless Headsets

- Reliable and consistent performance with wired/wireless connectivity, minimizing latency and ensuring stable operation.

3. Centralized Control

- The server console provides a centralized interface for managing content and controlling the entire VR facility.
- Ability to switch between different modes of operation seamlessly.

4. Scalability

- The system designed to be scalable, allowing for the addition of more VR Chairs/ seating arrangement, if required, in the future.

5. User-Friendly Interface

- Intuitive control interfaces for both the master capsule and server console to facilitate easy operation and management.

6. Robust Synchronization

- Advanced synchronization mechanisms to ensure that all headsets and movements are perfectly aligned with the content being played, providing a cohesive experience.

Failing to submit the same or non-compliance/deviation from any bid terms and conditions, eligibility criteria or technical specifications may result in rejection of the bid.

5. PROPOSAL EVALUATION / SELECTION CRITERIA

A three-stage procedure (two-bid system) based Selection Evaluation will be adopted in evaluating the proposals

1. **Eligibility Criteria Evaluation:** Any shortcoming of the documents will lead to rejection of the bid and other covers will not be opened.
2. **Thematic/Technical Presentation Evaluation:** The agencies qualifying on the basis of their eligibility criteria will only be called for Thematic/Technical Presentations (may be arranged in online) which can be at a very short notice.
3. **Financial Evaluation:** Only the bidders/firms securing the minimum qualifying marks based on Eligibility Criteria Evaluation and Technical/Presentation Evaluation as described in details below will be eligible for their Financial Bid Opening & Financial Evaluation

The evaluation shall be carried out in accordance of the marking system as detailed below:

B. Technical Evaluation

- i) The Evaluation Committee appointed by the Centre shall carry out its evaluation applying the evaluation criteria specified in the bid document. Evaluation of the application would be done as per the documents submitted. Bidders/Agencies, who are in the trade and are fulfilling the pre-qualification criteria as per the documents required would only be called for thematic presentation, which can be at a very short notice of even three days.
- ii) Each responsive proposal shall be attributed a technical score. Based on the technical assessment, agencies securing minimum **75 marks out of 100 will be** shortlisted and the financial bids of only the shortlisted agencies will be opened. The date and time of opening of the financial bids will be intimated to the selected/ shortlisted agencies through CPP portal.

C. Financial Evaluation

In two bid systems eligible technical bidders with lowest financial bid will be considered for awarding the tender.

Note: Technical Bids will be evaluated on the basis of documents as detailed above & Presentations to be made by the eligible agencies before the Constituted Committee. The date and time of the presentations (if organized) will be conveyed to the eligible agencies.

Price and rate quoted shall be firm and fixed for the entire period of execution of the work and no escalation of rate on any ground whatsoever shall be allowed. The overall lowest bidder shall be awarded the tender.
7. The bidders shall consider the prevailing tax rates while quoting the rates. However, in the event of any changes in the statutory taxes and duties, the rates applicable at the time of payment shall be made by the competent authority of the NSC, Delhi against submission of supporting documentary evidence.
8. The successful tenderer shall submit the following documents **within 03(three) days** from the date of placement of Letter of Intent.
 - a. Duplicate copy of Letter of Intent duly signed and stamped as a token of acceptance of the work order.
 - b. Non-judicial stamp paper of appropriate value for preparing the Agreement governing the terms and conditions of the Contract.
 - c. Security Deposit as detailed in **Clause No. 16** of General Terms & Conditions.
9. **TIME OF COMPLETION:** Time is the essence of the tender. The entire work of final system interfaces supply shall be completed in a time bound manner. The entire work shall be completed **within 60 (sixty) days** from the date of placement of Letter of Intent. The tenderer may please note that all the system interfaces shall have to be completed in the same time frame. Any extension required may only be granted by NSC, Delhi considering the situation and cause only.
10. For non-compliance of any of the above terms and non-delivery of the tendered item complete in all respects within the above stipulated period, the NSC, Delhi shall either cancel the order or impose penalty as detailed in **Clause 11 below**. NSC, Delhi reserves the right to cancel the order and no payment will be made under such conditions. Decision of the NSC, Delhi in this regard shall be final and binding on the successful tenderers.
11. **PENALTY CLAUSE:** The successful Tenderer shall strictly observe the time allowed for carrying out the job as detailed in **Clause No. 9**. The job shall, throughout the stipulated period of the order be proceeded with all the diligence (time being deemed to be the essence of the order) and the successful Tenderer shall pay to the NSC, Delhi, an amount equal to 1% of the amount of the order value for every week that the delivery may remain incomplete as per delivery schedule as **stipulated in Clause no.9** (Any extension approved by NSC, Delhi will be considered under the schedule over and above the stipulated time specified), subject to a maximum compensation of 10% of the order value and after that period appropriate action will be taken by the NSC, DELHI, as it will deem fit.
12. The NSC, DELHI may extend the time of delivery of the tendered job at its discretion on the application of the successful tenderer for such purpose provided that it considers the reasons for such extension as good, sufficient, acceptable and unavoidable.
13. **SCOPE OF WORK:** As per **Annexure – D**

14. **PAYMENT TERMS:**

- i) No advance payment shall be made by the NSC, DELHI before starting the work at site.  - iii) Payment shall be released through NEFT/RTGS for which details of bank account shall be mentioned in their bill.
15. **COPYRIGHT:** The brief story-line and script provided to the bidders for quoting their rates and the finally developed VR content interfaces will be the sole property of National Science Centre and Nehru Planetarium. The successful Tenderer under no circumstances will sell, lease, use, lend or donate the VR content interfaces, wholly or partly, to any other client. Also, the images, videos and other material to be used in the VR content interfaces should be copyright free.
In case, the successful Tenderer refuses to accept the offer after finalization or does not comply with the **Clause No. 9** as per the finalized and accepted terms and conditions, the order shall be cancelled forthwith without any further reference and the EMD will be forfeited.
16. **Security Deposit:** Technically lowest successful tenderer shall deposit 10% of the total amount of work awarded at NSC, Delhi as refundable security deposit in the form of DD / Online transfer after adjusting the EMD already deposited with this NIT, after getting the confirmed order and before the commencement of work. The security deposit shall be refunded to the successful bidder one year after the completion of work.
17. Every effort should be made to complete the work by the successful Tenderer within the specified time schedule. In case the successful tenderer fails to comply with **Clause No.9** i.e., the specified time schedule as per the finalized and accepted terms and conditions the NSC, Delhi shall have the rights to either impose Penalty Clause or cancel the order and forfeit the EMD. The decision of the NSC, Delhi in this regard shall be final and binding on the successful Tenderer.
18. Bad quality of work will not be accepted and if carried out is liable to be rejected and should be rectified by the successful Tenderer at his cost as per specifications **Annexure – K** and directions given by the authorized representatives of the NSC, Delhi. The decision of the NSC, Delhi, as to items of bad quality and proper rectification, will be final and binding on the successful Tenderers.
19. Any ambiguity in the specification / scope of work (**Annexure – D**) is detected; it shall be promptly brought to the notice of the NSC, Delhi for clarifications. The successful tenderer without written approval/permission of the NSC, Delhi shall make no deviation from the approved specifications **Annexure – K**.
20. The successful Tenderer shall submit necessary trade and other licenses as may be required to carry on the tendered job and shall also be responsible for compliance at his/her own cost of all rules and regulations, enforced from time to time by the appropriate authorities.
21. The successful Tenderer shall not under any circumstances whatsoever transfer wholly or partly the contract/agreement/Purchase Order to any other person(s)/firm/company or assign the agreement or benefits of this agreement to any other party for any reason whatsoever. If found otherwise, the order/ agreement will automatically stand cancelled and the EMD will stand forfeited.
22. The authorities of the NSC, Delhi, reserve the right to amend, alter or modify the terms and conditions mentioned above, if necessary, from time to time and also cancel the tender without assigning any reason.
23. Income Tax and/or Work Contract Tax or any other tax as applicable shall be deducted at source, if applicable, from each bill/claim of firm as per prevailing Government rules.

24. Incomplete offers, i.e. offers received without prescribed “**Offer Form**” (BOQ), “**General Terms of Conditions**”, “**Technical Specifications**” duly signed on all pages with official seal may be rejected straightway without reference to the tenderer.
25. Bidders must have a valid TIN/PAN/GST Registration number and attach a documentary proof with the Tender.
26. Bidders shall take care of all statutory obligations as are required under the Contract Labour Regulation Act, etc.
27. The offer shall be valid for a minimum period of 3 months from the date of opening of the tender.
28. The agencies participating in the tender and bidding, may obtain on specific request, details about the outcome of the tender and other related details, if any.
29. **Arbitration** : All disputes and differences between the successful tenderer and the NSC, Delhi of any kind, except quality of workmanship and materials, whatever arising out of or in connection with the order on carrying out of the work (whether during the progress of the work or after their completion and whether before or after the determination, abandonment or breach of the terms and conditions of the order) shall be referred to the sole arbitration of a person nominated by the Director, National Science Centre, Delhi, whose decision in this regard will be final and binding on both the parties – the successful Tenderer and the NSC, Delhi. The provisions of the Arbitration and Conciliation Act 1996 or any statutory modification or re-enactment thereof and of the rules made there under for the time being in force shall apply to arbitration’s proceedings under this Clause.
30. **Force Majeure**: In the event of either party being rendered unable by Force Majeure to perform any obligation required to be performed by them under the contract, the relative obligation of the party affected by such Force Majeure shall be suspended for the period during which such cause lasts. The term “Force Majeure” as employed herein shall mean war, hostilities, revolution, riots, civil commotion, strikes, lockouts, epidemic, explosion, flood, earthquake or because of any law and other proclamation, regulations or ordinance of any government or sub division thereof or because of any act of God or any other cause beyond the control of the concerned party which could not have been foreseen or avoided by the exercise of due diligence and so it becomes impossible to perform, provided notices in writing of any such cases, with necessary evidence to the other party within 72 (seventy-two) hours of the alleged beginning and ending of the cause respectively. If performance under the LOI is suspended by Force Majeure conditions lasting for more than 2 (two) months, either party shall have the option of canceling the LOI, in whole or in part, at its discretion without any liability on its part.

Time for performance of the relative obligation suspended by Force Majeure shall stand extended by the period for which such cause lasts.

Scope of Work:

CONCEPT, DESIGN, DEVELOPMENT, SUPPLY, INSTALLATION, TESTING AND COMMISSIONING OF A VR ZONE WITH THREE YEARS ONSITE COMPREHENSIVE MAINTENANCE FOR NEHRU PLANETARIUM, NEW DELHI as per the following details:

Scope of the VR zone with a **seating capacity of 4 visitors** involve several key components as per design, specification provided in **Annexure – K and Annexure H**, to ensure an immersive and seamless experience:

1. **Design and development of the 3D Virtual content:** The provided zone will be at Nehru Planetarium,. The VR content will be bilingual and based on the theme as provided,
2. **Content and Script:** The agency should provide script in bilingual for the content for final approval
3. **Content :** The bilingual 3D content will be engaging with effect and animations.
4. **VR Headsets:** High-quality (4K) VR headsets with individual screens for each seat to provide an immersive experience. Opt for models with high resolution, comfortable fit and reliable tracking capabilities. **No pixelation is visible on white screen.**
5. **Audio System:** The headphones will be integrated with HMD set to complement the visual experience and create an immersive audio environment synchronized with the VR content.
6. **Visual Displays:** A display of 40” for non-VR viewers to follow along with the VR experience being showcased to the visitors.
7. **Computing Device:** High-end computers or servers to render high-definition and complex VR content smoothly and broadcasting to the HDM devices.
8. **Seating Arrangement chairs:** Seating arrangement will be provided by NSCD at site.
9. **Modes of Operation Synchronized Playback Mode Description:** A single content is played from the server and is synchronized across all 4 VR headsets. Use Case: Ideal for group demonstrations where all participants view and experience the same content simultaneously.
10. **Independent Playback Mode Description:** Different content can be selected and played on each VR headset independently from the server. Use Case: Suitable for personalized experiences or when different users need to explore different content simultaneously.
11. **Network Infrastructure:** High-speed intranet/LAN connectivity among the headset for downloading, updating, and accessing VR content. This may require online support from OEM, in case of maintenance mainly.
12. **Maintenance and Support:** Regular maintenance schedules for all equipment and dedicated technical support to address any issues promptly and ensure uninterrupted operation **with down time less than 48 hours should be given under AMC.**

These technical requirements should be carefully considered and integrated into the design and setup of the VR zone to provide a robust and engaging experience for up to 4 visitors simultaneously. Additionally, scalability and future upgrades should be taken into account .

All copyright free artworks and graphics used in the software are included within the scope of work (Annexure – D). Necessary music and other Foley audio will be used. Any violation in copyright or any other IPR related matter will be the responsibility of the bidder.
