NOTICE INVITING E-TENDER

TENDER NO.: NSCD/18011/E-Tender-05/2026-27

Name of the work: Supply, Installation, Testing and Commissioning of Tesla Coil with the mentioned Specification for High Voltage Show of High Voltage Gallery at NSCD.

On-line Digitally signed open e-tenders are invited in two Bid System from the manufacturers or their authorized registered Indian agents/service provider/authorized channel partners for Supply, Installation, Testing and Commissioning of **Tesla Coil** at National Science Centre Delhi. Only reputed and established firms/ authorized registered Indian agents having proven experience and capability to render service in India at site smoothly may participate in the Bid.

NSCD reserves the right to accept or reject any or all bids in full or part without assigning any reason whatsoever. NSCD shall also not be bound to accept merely the lowest tender but the technical suitability, capability and superiority of the item/material as well as after sales service including infrastructure to render such service etc., shall be of prime consideration for selection of the bidder.

The Estimated Bid Value is 16 Lakh plus admissible GST.

The Tender Inviting Authority (TIA) will open the tenders at the specified date & time and at the specified place as indicated in the e-NIT. However, in case the specified date of tender opening falls on / is subsequently declared a holiday or closed day for the TIA, the tenders will be opened at the appointed time and place on the next working day.

Tender document can be downloaded from the Central Public Procurement Portal (CPPP) website "<http://eprocure.gov.in>" and also from the website of NSCD.

General Information and Instructions

1. The instructions given herein will be strictly binding on the bidders and deviation, if any, will make the tender or tenders liable to be considered invalid. Tenders incorporating additional conditions by the tenderers are liable for rejection.

2. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

3. An agent of foreign OEM, for submitting the offer on behalf of overseas OEM, would be required to produce a copy of their legal agency agreement with their principal and a copy of registration / enlistment with DGS&D as an Indian agent failing which their bid would be disqualified.

4. **Visit of the High Voltage Gallery, NSCD:** Bidders/Tenderers are advised to visit the existing setup of High Voltage Gallery at NSCD India to ascertain and fully understand the nature and quantum of work before tendering. Site inspection may be carried out before the last date of submission of bid. In case, the representative of the bidder/tenderer is unable to visit the site, the queries may be submitted through CPPP and email. However, lack of knowledge of site conditions cannot be considered as a justification for misrepresentation of the bid.

5. Submission of the Bid: This Tender is an online Tender and bids are to be submitted through CPP Portal (<http://eprocure.gov.in>) only and offline tenders shall not be accepted and no request in this regard will be entertained whatsoever.

6. Details of submission of tender etc. are indicated in the e-tender document.

7. The online bid, both Technical (Techno-Commercial) Bid and Financial bid, duly furnished in Cover –I and Cover-II respectively, should be uploaded by the due date and time as per the above schedule. The responsibility to ensure the same lies with the bidders.

8. It is intended to purchase the above equipment directly from the manufacturer or Authorized Registered Indian Agents of foreign manufacturers who are capable to render after Sales Service (in case where foreign manufacturers do not quote any rate to the actual users), shall submit copy of Agency Agreement with foreign manufacturer along with the tender and in such case no agency commission shall be paid by the TIA.

9. NSCD reserves the right to amend/withdraw any of the terms and conditions in the tender Documents or to reject any or all tenders without giving any notice or assigning any reason. NSCD also reserves the right to accept or reject any or all tenders in full or part without assigning any reason whatsoever. NSCD shall also not be bound to accept merely the lowest tender but the technical suitability, capability and superiority of the concept / technology interface / system etc. shall be of prime consideration for selection of the appropriate set of concept/ technology interface /system collectively considered as a complete solution.

10. **The tenderer/s shall be required to deposit a sum of Rs. 40000/- (which is 2.5% of estimated bid value (rounded off to next thousand) as Earnest Money Deposit (EMD) along with the Tenders .The earnest money shall be deposited by Crossed Demand Draft or Banker's Cheque or pay order in favour of "National Science Centre, Delhi" of any Nationalized or Scheduled bank or through NEFT or through Bank Guarantee with a validity of 180 days.** No Cash / Cheque for EMD shall be accepted. EMD of the unsuccessful Tenderer/s shall be refunded without interest on written request after the date of acceptance of the Final Work Order by the successful tenderer/s on completion of the tender process or after one month from the date opening of tenders. EMD of the successful Bidder, who formally received the Work Order, shall be forfeited if the tenderer refuses to implement whole or part of the work after receiving the Work Order. ~~The tenderer must submit a Bid Declaration in Annexure K.~~ Scanned copy of Demand Draft/Pay order or Banker's Cheque of any Nationalized /Scheduled Bank towards Earnest Money Deposit (EMD) in .pdf format in favour of National science Center, Delhi payable at within the bid submission date and time must be submitted with the Technical Bid. EMD can also be deposited by electronic fund transfer mode through RTGS/NEFT to the bank account of NSCD , details of which are as follows:

Name of the Account Holder	National Science Centre, Delhi
Account No.	2417101004100
IFSC Code	CNRB0002417
Bank Name	Canara Bank
Branch	6, Bhagwan Das Road, New Delhi

In case of RTGS/ NEFT, the receipt of transaction to be uploaded. Scanned copies of valid and updated certificates issued by NSIC under Single Point Registration Scheme (SPRS) and MSME Registration certificate in .PDF format should be uploaded for considering the waiver of EMD ~~submission along with Details in Annexure M.~~ In addition, the bidders registered under Department of Micro, Small and Medium Enterprises (MSME) and/or eligible for exemption from submitting Bid Security / Earnest Money Deposit for similar services shall be required to submit Bid Security declaration ~~as per Annexure N of the e-NIT.~~

11. **Validity of Bids:** The Bids should remain valid for 180 days from the date of opening of Financial bid.

12. **Rejection of Bids:** Canvassing by the Bidder(s) in any form, unsolicited letter and post-tender correction may invoke summary rejection. Conditional tenders will be rejected. Non-compliance of applicable General Information and Instructions will disqualify the Bid.

13. The Tenderers should have Digital Signature Certificate (DSC) for filling up the Bids. The person signing the tender documents should be authorized for submitting the online e- tender.

14. The Bidders shall fill up the Prescribed Format for submission of Technical (Techno-commercial) Bid as per "**Annexure-A**" format duly signed by the authorized signatory. The person signing the tender document should be authorized for submitting the online e-tender.

15. The Financial Bid shall be filled in and signed by the authorized signatory online at Central Public Procurement Portal e-tender system website <http://eprocure.gov.in/eprocure/app>. Off line Financial Bid shall not be accepted.

16. Tender must be uploaded in two separate covers marked Cover-1(Technical Bid) and Cover-2 (Financial Bid/BOQ). The contents of Cover-1 and Cover-2 shall be as follows:-

Cover - 1

- i) “Technical (Techno-Commercial) Bid” (as per **Annexure-A** format) duly filled in and digitally signed with official stamp.
- ii) All relevant documents related to “Technical (Techno-commercial) Bid” as per “**Annexure-A**”
- iii) The scanned copy of “General Terms & Conditions” duly signed by the Authorized Signatory with official stamp as a token of acceptance of the bidders.
- iv) Signed, Stamped and scanned copies of all the Annexure asked in the bid document.
- v) The Technical Brochures of each equipment with technical explanation for every feature of the product offered by the bidders.
- vi) Name, Address, Name of the contact person and his/her mobile number etc. of Indian Agent of overseas OEM.
- vii) Scanned copy of the DD/BG/ receipt copy of electronic fund transfer mode for payment of EMD

Cover-2

- i) The “Financial Bid (BOQ)” i.e. Schedule of Price Bid filled in and digitally signed

The Cover-1, i.e. Technical (Techno-commercial) Bid shall be opened by concerned Officials of NSCD at the first instance and evaluated by the competent authority. At the second stage, the Cover-2 containing Financial Bid of only techno-commercially acceptable offers shall be opened for further evaluation and ranking before awarding the contract.

TENDER NO. NSCD/18011/E-Tender-05/2026-27

TECHNICAL (Techno-Commercial) BID

**Notes: ALL PARTICULARS / INFORMATIONS SHOULD BE GIVEN IN
THE FOLLOWING FORMAT WITH COMPLETE DETAILS.**

i	Name of the Bidder	:	
ii	Mailing address of the Bidder with PIN/ZIP Code	:	
iii.	Contact details	:	
	Telephone numbers(s)	:	
	Mobile	:	
	Fax number(s)	:	
	E-mail address	:	
	Website	:	
iv.	a. Background details of the Bidder (State whether original manufacturer / authorised Registered Indian Agent of the manufacturer).	:	
	b. In case of authorised Registered Indian Agent, submit notary certified copy of the Bidder Agreement with the manufacturer.	:	
	c. Name and Address of the Vendor to whom the order will be placed (NSCD would like to procure the entire system from a single source)	:	
v.	Whether capable to supply and install the Tesla Coil as per minimum requirement/and Technical Specification (Please mention "YES" or "NO")	:	

	a) If it is mentioned “NO” above, submit detailed deviation to be made from enclosed Technical Specification.(Attach extra sheet, if required)	:	
	b) If it is mentioned “Yes” above submit the detailed specifications of the offered product including copies of Product brochure	:	
vi.	Whether agreed to offer 02 year onsite comprehensive warranty	:	
vii.	Single point contact details for all post-installations service related issues with hierarchy levels (if any)	:	
viii.	Please provide detailed address, contact person and set up link from where support for maintenance during the onsite comprehensive warranty period shall be offered by the firm at NSCD,	:	
ix.	Shelf-life time of the Tesla Coil (i.e. up to which period technical support as well as spare parts including consumables shall be available with the firm).	:	Detailed Information to be submitted by the Bidders as per following table
x.	Whether agreed to delivery schedule mentioned in clause no. __ of General Terms & Conditions for submission of tender	:	
xi.	Submit technical brochures indicating the detailed technical specifications	:	

Sl. No	Details of Information Required	Qty
i.	Details of Tesla Coil	1 Set
ii.	Timeline for execution of the entire work from the date of placement of order indicating therein parallel activities and critical path to establish completion of the entire work within the stipulated time schedule	1 Set
iii.	List and quantity of each spare that shall be provided by the bidder initially to fulfill onsite comprehensive warranty of 02 years on Tesla coil and allied accessories. This shall also include quantity of spare that will be supplied along with the Tesla Coil initially. All the tools, tackles, gadgets, devices that shall be required for measuring, integration, maintenance, testing etc shall be included	1 Set
iv.	Information/Details regarding any other items not included above may be submitted in this set.	1 Set

Note: Bidders shall provide detailed Bill of Quantities of each item as mentioned in the above table and proposed for this offer along with schematic system architecture and product catalogues for all hardware items.

I / We hereby declare that the above statements are true. I / We also declare that I / we shall abide by the decision of NSCD, regarding selection of eligible firm(s) / type of equipment or system / multimedia show contents scheme for opening of Financial Bid (Cover 2).

Dated Official Seal & Signature of the Bidder/Constituted Attorney

General Information and Instructions

A. DEFINITIONS:

In this Contract, the following terms will be interpreted as indicated:

1. "The Contract" means the agreement entered into between the Purchaser and the Supplier, as recorded in the contract Form signed by the Parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
2. "The Contract Price" means the price payable to the Supplier under the Contract for the full and proper performance of its contractual obligations.
3. "The Materials / Equipment" means all of the equipment, machinery, and/ or other materials which the Supplier is required to supply to the Purchaser under the Contract.
4. "The Services" means those services ancillary to the supply of the Materials/equipment, such as transportation and insurance, and any other incidental Services, such as installation, commissioning, provision of technical assistance, training, and other such obligations of the Supplier covered under the Contract.
5. "GTC" means the General Terms and Conditions of Contract contained in the section.
6. "The Purchaser" means the organization purchasing the Materials/equipment.
7. "Bidder" is a supplier who has registered with the purchaser for supply of materials/equipment.
8. "The Supplier" means the firm supplying the Materials / equipment and Services under this Contract.
9. "Day" means calendar day.

B. APPLICABILITY:

These General Conditions of contract will apply to the extent that they are not superseded by provisions of salient features of the Bid.

C. STANDARDS:

The Materials/equipment supplied under this Contract will conform to the Standards mentioned in the Technical specifications, and, when no applicable standard is mentioned, the authoritative standards appropriate to the Materials / equipment' i.e., BIS, such standards will be the latest. All material will be of the best class and will be capable of satisfactory operation under tropical conditions without distortion or deterioration.

D. INTER CHANGEABILITY:

All similar materials and removable / replaceable parts of similar equipment will be interchangeable with each other. As specific confirmation of this should be furnished in the bid.

Bidders are required to submit with the tender in Cover-1 envelope, all the documents as per eligibility criterion mentioned along with mechanisms with complete technical specifications, procurement strategy, flow chart of the work, fabrication strategy on how the work shall be completed within the stipulated time as per the General terms and conditions.

The successful Bidder shall submit the following within 7 (seven) days from the date of placement of the work order:

Duplicate copy of the work order duly signed and official stamp on all the pages as a token of acceptance of the order.

E. EVALUATION/SELECTION CRITERIA

A two-stage Evaluation will be adopted in evaluating the proposals

Eligibility Criteria Evaluation: Any shortcoming of the documents will lead to rejection of the bid and other envelopes will not be opened.

Financial Evaluation: Only the bidders/firms qualifying Technical Evaluation based on Eligibility Criteria as described in details below will be eligible for their Financial Bid Opening & Financial Evaluation.

F. Technical Evaluation

- i. The Evaluation Committee appointed by the competent authority shall carry out its evaluation applying the evaluation criteria specified in the bid document. Evaluation of the application would be done as per the documents submitted.
- ii. On the basis of the technical assessment be shortlisted and the financial bids of only the shortlisted agencies will be opened. The date and time of opening of the financial bids will be intimated to the selected /shortlisted agencies through CPP portal.

G. Financial Evaluation

Financial Bid:

- i. The Financial Bids of the technically qualified bidders will be opened online through CPP Portal.
- ii. The lowest financial bid complete in all respects shall be selected for award of contract.
- iii. Only fixed price financial bids indicating total price for all the work/services specified in this bid document will be considered.
- iv. Details of the taxes and duties to be levied on the basic cost to be indicated clearly in the financial bid.
- v. Errors & Rectification: Arithmetical errors will be rectified on the following basis: "If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail".
- vi. In the event the bid composite bid scores are "tied", the bidder securing the highest technical score will be declared as the Best Value Bidder for award of the Project.

Note:

Technical Bids will be evaluated on the basis of documents as detailed above.

H. Price:

The price and rates indicated shall include all incidental charges like packing, forwarding, freight, insurance and delivery etc. as may be applicable to this tender for supply, installation, integration, commissioning, testing of Tesla Coil at National Science Centre, Bhairon Road, Nr. Bharat Mandapam, Gate no. 4, New Delhi.

The selected bidder shall be responsible for proper co-ordination with NSCD, and continuous supervision of these works at site to ensure the desired quality of workmanship and use of specified materials and the end result.

I. Time of Completion/Delivery Schedule:

Time is the essence of the work. The entire work comprising supply, installation, integration, testing, commissioning, of Tesla Coil shall be completed within 30 (Thirty) days from the date of placement of confirmed order.

Every effort should be made to complete the entire work by the successful bidder within the specified time. In case the successful bidder fails to comply with the specified time schedule and accepted terms and conditions, and where the progress of work is not found satisfactory, and commensurate with the expected progress NSCD, reserves the right to cancel the order. The decision of NSCD, in this regard shall be final and binding on the successful bidder. The successful bidder cannot claim any compensation for such cancellation or determination of contract.

J. Inspection:

The successful bidder shall also mandatorily arrange for inspection of the equipment including its accessories at the site on completion of supply, whenever desired by the authorized officials of NSCD. Any/all defect(s) pointed out to the successful bidder by the competent representative of NSCD, during such inspection shall be promptly rectified at the cost (including material cost) of the successful bidder to meet the desired quality, and specification as per requirement of NSCD, failing which penal action shall be taken as deemed fit by NSCD. The decision of NSCD, in this regard shall be final and binding on the successful bidder.

K. Terms of payment:

No advance payment shall be made. The mode of payment shall be as follows:-

- a) 60% (Sixty percent) of the total sum of the items quoted in INR on delivery of the entire materials/consignment and submission of bill of quantities.
- b) 30% (Thirty percent) of the total sum of the items quoted in INR after successful installation, testing, commissioning and integration of the Tesla Coil at site.
- c) Balance 10% (Ten percent) of the total sum of the items quoted in INR on successful and satisfactory running of the Tesla Coil for a minimum period of 10 (ten) consecutive days and on submission of a certificate issued by NSCD stating that installation, commissioning and integration of the ordered item has been done satisfactorily and also on submission of warranty certificate.

Prior to release of balance 10% (ten percent) payment of the total value of the items quoted, the successful bidder shall arrange for an irrevocable Bank Guarantee acceptable to NSCD, equal to 3% (three percent) of the total value of the order valid for the period of 02 (Two) years as security for fulfilment of warranty/ defect liability obligations.

L. Penalty Clause

In case of non-completion of the entire work within the stipulated time, and the delay is not attributable to site requirements, Liquidated Damage (L.D.)@1% of the tendered value per week shall be recovered from the bill of the successful bidder subject to a maximum of 10% of the tendered value.

M. Defect Liability period /Onsite comprehensive warranty period:

The Defect Liability /Onsite comprehensive warranty period shall be Two years from the date of certification of the completion of satisfactory installation integration and commissioning of the set-up and allied accessories. The successful bidder shall be responsible for all defects of the installed equipment, manufacturing or other defects of components, for a period of two years from the date of satisfactory completion of the installation and commissioning of the system. The successful bidder, shall at their own cost, rectify the defects and or replace the defective parts/equipment, up to the complete satisfaction of the competent authority of the NSCD, within reasonable time. The successful bidder shall ensure for the following-

1. Remote response within 4 hours
2. Site attendance within 24-48 hours
3. Maximum restoration time
4. Preventive maintenance at least quarterly or half-yearly
5. Minimum spare-parts availability for 10 years
6. List and price of essential consumables
7. Guaranteed availability of electrodes, capacitors, switching devices and control components
8. Source code/password/configuration backup for programmable controls
9. As-built drawings and editable documentation
10. Annual safety inspection during warranty.

During defect liability period of two years, the following terms shall also be applicable:-

- i. Preventive Maintenance for all the equipment and peripherals supplied by the bidder.
- ii. The bidders shall provide preventive maintenance visit on quarterly basis during the warranty period and shall form part of the Repair of faulty/ defective parts and peripherals.
- iii. Replacement of faulty parts and peripherals. All replaced parts shall remain as property of NSCD.
- iv. Any break-down, failure or malfunctioning of the setup and allied accessories supplied by the bidder under the PO shall be attended to and put back in service within 48 hours. However, all round efforts must be made to set right the system in shortest possible time. Service shall be available for at all times for the year.
- v. The selected bidder will maintain the minimum essential spares at their own stores and the required tools/ test equipment/ software so as to reduce the break-down time.
- vi. Spare parts manufactured by Original Equipment Manufacturer (OEM) will be preferred. In case of any requirement for replacement of any supplied spares by the bidder, NSCD shall not be responsible for re-export of the damaged components and that will be replaced by the successful bidder.

- vii. Specifications of the items under tender are enclosed for guidance. However, if any ambiguity in the specification is detected, it shall be promptly brought to the notice of the NSCD, for clarification. The successful bidder should obtain written approval of NSCD, for any deviation from the approved specifications, if required due to site conditions or for betterment and safety of visitors and installations.

- viii. The authorities of the NSCD, reserve the right to amend, alter or modify the terms and conditions, specifications of the items if necessary for betterment and safety of visitors. No additional cost shall be borne by NSCD, for such amendments.
- ix. In case the successful bidder refuse to accept the offer after finalization or does not comply with General Terms & Conditions within 07(seven)days from the date of placement of the order as per the finalized and accepted terms & conditions, earnest money deposit would be automatically forfeited and the order shall be cancelled forthwith.
- x. The authorities of NSCD, do not bind themselves to accept the lowest tender and reserves the right to accept or reject any or all tenders wholly or partially without assigning any reason whatsoever.
- xi. The successful bidder shall obtain necessary trade and other licenses/permissions as may be required to carry out the tendered job at NSCD, and shall also be responsible for Compliance of all statutory rules and regulations which maybe in force time to time from the appropriate authorities at their own cost.
- xii. NSCD, shall not be liable for any injury or death of an employee who is deployed by the successful bidder within/outside the work site during the time of execution of the work order.
- xiii. Since this is a visitor-facing high-voltage exhibit, it is advisable to require certification by:
 - A licensed electrical contractor
 - A chartered electrical engineer or competent electrical-safety professional
 - The Electrical Inspector/competent authority, where statutorily applicable
 - A NABL-accredited laboratory for specified electrical tests, wherever feasible.
 - Verification of supply parameters
 - Earthing and bonding measurements
 - Interlock and emergency-stop test
 - Automatic discharge-time test
 - Ten or more consecutive demonstration cycles
 - Spark-performance verification
 - Noise-level measurement
 - Ozone/ventilation assessment
 - Operator training and competency demonstration

N. SECURITY DEPOSIT:

The Security Deposit shall be 10% of the gross value of work ordered and shall be submitted by the successful tenderer in the form of Bank Guarantee before release of any payment. In case, the gross value of the work executed is more than the ordered value, the successful tenderer shall submit additional Bank Guarantee for the differential amount before the release of final payment.

The security deposit shall be released after expiry of the defect liability period of 5 years from the date of satisfactory completion of the installation and commissioning of the system.

In case of cancellation of the contract, the Security Deposit submitted by the tenderer in the form of Bank Guarantee shall be revoked and the amount necessary to make up this amount shall be recovered from any money due to the successful bidder under this or any other contract with NCSM / NSCD, .

In case of death of successful bidder, Security Deposit shall be returned /refunded to the legal heir of the successful bidder after adjustment of dues, if any, post the actual completion of the work & upon expiry of the specified guarantee/defects liability period.

O. FORCE MAJEURE

Neither the successful bidder nor NSCD, shall be considered in default in performance of its obligations under the terms of this MoU, if such performance is prevented or delayed for any causes beyond the reasonable control of the party affected such as war, hostilities, revolution, riots, civil commotions, strikes, lockouts, epidemic, explosion, flood, earthquake or because of any law and other proclamation, regulations or ordinance of any government or sub-division thereof or because of any act of God or any other cause beyond the control of the concerned party which could not have been foreseen or avoided by the exercise of due diligence and so it becomes impossible to perform, provided notices in writing of any such cases, with necessary evidence that the obligation under this tender thereby affected or prevented or delayed is hereby given within 14 days from the happening of the event in case it is not possible to serve the notice within the said 14 days period, then within the shortest possible period without delay. As soon as the cause of Force Majeure has been removed, the party whose liability to perform its obligation has been affected shall notify the other party the actual delay occurred in such affected activity and resume the performance immediately.

The successful bidder shall not transfer wholly or partially the order of supply, installation, integration, testing and commissioning of the equipment to any other person(s) / firm / company for any reason whatsoever and in which case the order shall automatically stand cancelled.

All disputes and differences between the successful bidder and NSCD, of any kind whatever arising out of or in connection with the order on carrying out supply, installation, testing and satisfactory commissioning of the system and during the period of five years (onsite warranty) (whether during the progress of the work or after the completion of work and whether before or after the determination, abandonment or breach of the terms and conditions of the order) shall be referred to the sole arbitration of a person nominated by the NSCD, , whose decision in this regard will be final and binding on both the successful bidder and the NSCD, . The provisions of the Arbitration and Conciliation Act 1996 or any statutory modification or re-enactment thereof and of the rules made there under for the time being in force shall apply to arbitration's proceedings under this Clause.

Errors & Rectification: Arithmetical errors will be rectified on the following basis: “If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail”

All other conditions given in the tender document under various sections shall stand valid and the successful bidder shall abide by them.

Bid-Securing Declaration

TENDER NO. NSCD/18011/E-Tender-05/2026-27

Date: _____

We, the undersigned, declare that:

We understand that, according to your conditions, bids must be supported by a Bid-Securing Declaration.

We accept that we will automatically be suspended from being eligible for bidding in any contract with the NCSM or its units for the period of time of 3 **years** starting on....., 2025, if we are in breach of our obligation(s) under the bid conditions, because we:

- (a) have withdrawn our Bid during the period of bid validity specified in the Letter of Bid;
or
- (b) having been notified of the acceptance of our Bid by the NCSM during the period of bid validity, (i) fail or refuse to execute the Contract, if required, or (ii) fail or refuse to furnish the Performance Security, in accordance with ITB 38.

We understand this Bid-Security Declaration shall expire if we are not the successful Bidder, upon the earlier of (i) our receipt of your notification to us of the name of the successful Bidder; or (ii) twenty-eight days after the expiration of our Bid.

Signed: [Signature & Seal of the bidder]

Name: [insert complete name of person signing the Bid-Securing Declaration]

Duly authorized to sign the bid for and on behalf of: [insert complete name of

Bidder] Dated on _____ day of _____, _____ [insert date of

signing] Corporate Seal (where appropriate)

[Note: In case of a Joint Venture, the Bid-Securing Declaration must be in the name of all partners to the Joint Venture that submits the bid.]
